## Notice

This is to inform all the stakeholders of our College that the National Assessment and Accreditation Council (NAAC) Peer Team will be visiting the college for Assessment and Accreditation on 20<sup>th</sup> and 21<sup>st</sup> of April 2023.

The NAAC Peer Team will be assessing various aspects of the college such as infrastructure, academic performance, student services, research and innovation, governance and leadership, and social responsibility. This visit is an important opportunity for the college to showcase its strengths and achievements, as well as to identify areas for improvement.

Therefore, all faculty members, staff, students, alumni and parents are requested to cooperate with the NAAC Peer Team during their visit and provide them with accurate and relevant information. It is also advised to maintain cleanliness and discipline in the college during the visit.

The NAAC accreditation is an important benchmark for the quality of education offered by the college and it reflects the college's commitment to continuous improvement. Therefore, let us all work together to make the NAAC Peer Team visit a success.
